## THE ALE ST. LAUREL OFFERS ALL-STAR CARD

Five Stake Races Are Booked for Reopening of Track.

Five stake events are on the card at Laurel Park today as an offering of an unparalleled program that Col. Matt Winn, the general manager of the plant, is going to serve to racing fans. Many of the greatest equines in training are to be seen under colors, and another epoch-making day for the Maryland racing annals is in prospect.

This is the result of the lifting of the flu bans at Laurel Park. One stake event for an afternoon is con-sidered interesting; but when five are to be offered, it is almost unheard of

in racing circles.

The blue-ribbon events will be Anne Arundel, Georgetown, Maryland and Prince Georges Handicaps and Royal

"I have never told any one this story before because I never wanted to tell any one and because I don't think the folks back home in Vir-ginia and Kentucky would be very glad to hear of it, but I think I can claim origin from some of the proudest blood in America, I mean the old West Virginia and Kentucky mountaineers.

## HARVARD OUT OF IT.

Reports Say Crimson Will Confine Efforts to Boston.

New York, Oct. 25.-If reports from Boston are to be believed, the offer of the University of Pennsylvania to meet any of the "Big Three" teams on the gridiron for the benefit of the United War Work Fund will not be favorably received at Harvard.

From a supposedly reliable source comes word that the Crimson will confine whatever schedule it may draw up to games with Greater Bos-ton teams, to the exclusion of Yale. Princeton, Pennsylvania, Rutgers and other elevens which have been men-tioned as possible opponents for the Cambridge team. It is understood that overtures will

be made by the committee in charge of the arrangement of football games to the athletic officials at Harvard with a view to including the Crimson among the teams which will play for the fund.
